

The City of Milwaukee Department of Public Works (DPW) and Wisconsin Department of Transportation (WisDOT) invite you to attend a Public Information Meeting where we will provide information regarding the proposed improvement of West Oklahoma Avenue from South 60th Street to South 49th Street. The project is proposed for construction during the Summer of 2018.

The meeting will be held on Thursday, June 30, 2016, from 5:00 pm to 7:00 pm in the parish hall of St. Gregory the Great Church, 3160 South 63rd Street, Milwaukee, Wisconsin 53219. The meeting will be in an “Open House” format and no formal presentation will be made. Project related sketches and plans will be displayed at the meeting. Representatives from the City of Milwaukee Department of Public Works and Wisconsin Department of Transportation will be available to answer questions.

Please enter the hall from the parking lot on South 60th Street & West Oklahoma Avenue through the silver doors. There is an elevator for handicap accessibility as well.

The proposed improvement consists of reconstructing the roadway to provide new concrete pavement. The width of both eastbound and westbound roadways will be increased from 34 feet to 36 feet to accommodate bike lanes. Sidewalk will be replaced on both sides and sidewalk width will be reduced from 6 feet to 5 feet. All curb and gutter and driveway approaches will be replaced. The improvement also consists of replacing storm sewer catch basins, improving current pedestrian accommodations to comply with the American with Disabilities Act (ADA) standards, and improving the overall operations and safety of the roadway. The roadway will be open to traffic with one lane in each direction during construction.

It is very important that we receive public input on the proposed project as it will be directly impacting businesses and residents in the area. Input that is received at the Public Information Meeting will assist in completing the proposed design and answer any questions that the public may have.

Persons with an interest in, or knowledge about, historical and archaeological resources in the project area are invited to present such information at the meeting.

Notice of Public Information Meeting

The Public Information Meeting location is handicapped accessible. Citizens who are hearing impaired and require an interpreter may request one by contacting Joan Bonack, Wisconsin Department of Transportation, at least three (3) working days prior to the meeting via the Wisconsin Telecommunication Relay System (dial 711).

If you would like additional information regarding this project, or if you have a qualifying disability under the Americans with Disabilities Act that requires the meeting or materials at the meeting to be in an accessible format, please contact Mr. Rattan Mahay of the Department of Public Works at (414) 286-0486 (office); or e-mail at rattan.mahay@milwaukee.gov forty-eight (48) hours prior to the meeting.
